## Press Release

**November 2nd 2020**

### **The time has come! The winners of the GDG Greencards, Awards and Supports are known!**

#### **Awards & Supports 2020**

Once again this year, [ambassadors](#) from various fields have selected Awards & Supports and Greencards from all the 159 entries that were submitted.

The complete list of all award-winning works can be found on the next pages. Online you will also find an overview and above all an insight into the projects under:

[Awards 2020](#)

[Supports 2020](#)

[Green Cards 2020](#)

In November, all award-winning projects as well as the ambassadors supporting the selected projects will be featured on [Instagram | Facebook](#) with individual posts to give you more insight into the work.

#### **Award Ceremony Movie 2020**

In 2020 everything will be different! Also the GDG award ceremony cannot take place in the same way. Instead, we have produced our [Award Ceremony Movie](#), which will be online from November 2nd 6pm.

#### **What happens next?**

Since the GDG exhibition could not take place in 2020, there will be a double exhibition next year. We will keep you up to date. But you can already have a look at the projects that were selected by the jury in June at [Exhibitors 2020](#).

## List of winning projects
