

German

**Design
Graduates**

Submission Overview

Submission Overview

Final projects must be submitted via an online form at germandesigngraduates.com.

The registration period runs from 15 May to 15 June 2026. Both individual and group submissions (max. 6 people) are permitted. By submitting their work, participating graduates accept the [Terms and Conditions](#) of German Design Graduates.

The following information is requested:

Personal details and degree information

Contact details and the degree certificate are required. This data will not be published but is used solely for verification purposes.

Project information

All submitted projects will be published on the GDG Platform following editorial review. GDG accepts no liability for the content of the submitted final projects.

Project title

Brief description of the project

(Max. 1000 characters, including spaces)

Images

- 1 cover image (3 MB) / max. 3 gallery images (1 MB each), photo, drawing, rendering
- No image collages
- max. 200 dpi / max. 2000 pixels width or height / RGB only
- File types: png, jpg, jpeg, gif

Video link (optional)

The video will not be embedded directly on the GDG website; users will be redirected to the external provider's site. The video must be public; no login should be required, as otherwise neither users nor curators will be able to view it.

Thesis (optional)

You can upload your thesis as a PDF (max. 12 MB). This will not be published. It may be helpful to the curators during their review.
